Runner's Name: \_\_\_\_\_

As an Official Member of the Transformation Team I'm respectfully asking for your help. Our overall goal is to donate \$50,000 from our "Running to Grant a Child's Wish" project. This donation will allow this wonderful charity to continue their life affirming and compassionate work.

You can support me by making a pledge. When you do, in return, I promise to not let you down. I am more committed than ever to improving my health with regular exercise and good nutrition and I will maintain a positive focus on achieving this goal, right through the finish line.

Your generous pledge is greatly appreciated by myself, Bill Phillips and the Transformation Team, the Make-A-Wish Foundation, and most of all, the children whose dreams will come true with our help.
